I encouraged **Ex. 6 Personal Privacy (PP)** to speak with CCD earlier this week. I think that helped. The HOF emails appear to have stopped for now. That was madness.

We can work hard on so many, but don't always know what truly are the priority cases.

**Ex. 6 Personal Privacy (PP)** do you know if more have been sent to the contractors for their health review so we can get a handle on that piece.

Hello everyone

I will let **Ex. 6 Personal Privacy (PP)** send any final communication to **Ex. 6 Personal Privacy (PP)** tonight on what you figure out for HH.

The four of us need to get together and organize what status of cases is and which ones are next to work on.

I don't like starting work on cases based on HOF emails – there are so many the term is pointless. We need to have some weekly set (or biweekly or whatever) so that we know what all the disciplines need to accomplish.

**Ex. 6 Personal Privacy (PP)** me over with multiple cases basically out of nowhere at the last minute. That won't work. I don't even know how to organize a response to **Ex. 6 Personal Privacy (PP)** because of it.

The list of cases that **Ex. 6 Personal Privacy (PP)** (admin) and **Ex. 6 Personal Privacy (PP)** (BI) sent today were meant to help, but I am just more confused now. I also don't know how to integrate all the pieces **Ex. 6 Personal Privacy (PP)** and I have to produce into emails, they are a poor template (as **Ex. 6 Personal Privacy (PP)** and I just discussed). Especially since I just learned that some of those cases are getting updated eng in the future.

Hi Ex. 6 Personal Privacy (PP)

Thanks for the email! Would love do one list from both RAD and CCD but just not sure how the completed cases in RAD would fit into CCD's ☹.

I sent out a preliminary total # counting of the cases that RAD has been working on in the past couple of weeks. I can give you the completed cases which a final post-focus HLTH report (risk assessment document) is ready and is in NCR for CCD. Would that help?

Thanks Ex. 6 Personal Privacy (PP) sent the RAD input to Ex. 6 Personal Privacy (PP) on the CBI side; it probably makes sense for us to coordinate in the future. Ex. 6 Personal Privacy (PP) please forward the RAD input to our CCD colleagues.

[Ex. 6 Personal Privacy (PP)]  
I took [Ex. 6 Personal Privacy (PP)] off this thread to let you know where things stand with CCD. I'll send to [Ex. 6 Personal Privacy (PP)] shortly unless you'd like to provide RAD info (e.g., an update to her tracking sheet) so we can send a consolidated response.

Thanks,
